

LLANDAFF CATHEDRAL

Development Director

The Dean and Chapter of Llandaff Cathedral are seeking to appoint a Development Director in a newly created post as a key member of the Cathedral's senior staff as it celebrates its 900th anniversary.

We are looking for an individual with significant experience in a senior fundraising role who is motivated and inspiring in organizing and developing both traditional and imaginative fundraising activities. The person we would appoint will have excellent communication and interpersonal skills and will be able, in conjunction with us, to take the life and mission of the Cathedral forward and develop and implement its strategic vision.

We would expect our new Development Director to be:-

- Committed to helping us serve the mission and ministry of God's church
- Sympathetic to the ethos, aims and values of the Cathedral
- Able to maintain and build upon established relationships as well as developing new ones
- Proactive in attitude and have the drive and enthusiasm to carry out projects to conclusion
- A generous-hearted team player, able to work across varied Cathedral life.

Applications are welcomed from English and/or Welsh speakers. The Dean may be contacted for an informal conversation by email in the first instance - thedean@llandaffcathedral.org.uk.
