- Confidence to deliver the script from the lectern.

## TRAINING

- Full guidance notes will be provided prior to considering joining the team. They include suggestions of books and publications offering source material.
- The lay team leader will give broad advice and help on request and the clergy will advise on liturgical detail.
- The Diocesan Cycle of Prayer details as well as names on the lists of the Sick, Recently Departed or Year's Mind are published online on Saturday in the Weekly Notes and overnight updates will be on the lectern or given by the clergy on Sunday morning.
- The Readings are circulated monthly in advance.
- Occasional training meetings will be planned.
