ADVANCE NOTICES

The Christian Aid Table is Changing: This is the "Low" season for Christian Aid, so in the interim the table has been replaced by a new "Charities" table. This celebrates our Parish and Cathedral's work to alleviate poverty and suffering in our local community and beyond, with the emphasis on our efforts as a community to care for the poor and dispossessed. If there are any projects we have missed, please let us know; we'd be delighted to add those to the display. And...you may be interested to know that the "tablecloth" is produced in Hebron by the only remaining textile factory in the Holy Land still making this traditional design.
